Dear Sandtonite

November 2013.

After much soul-searching, the Sandton CPF has realised that we must come to you to request a financial donation to allow us to continue in the fight against crime in our precinct.

Sandton CPF operates in the 5 Sectors which make up the 84 sq. kilometres of the Sandton policing precinct. The CPF is fully manned by accredited volunteers who by law cannot receive any remuneration for their services. The Sandton CPF is governed by the Gauteng CPF Constitution and is a Section 18A organisation, providing fully audited Financials on an Annual basis. Our mandate is briefly to build bridges between the community and SAPS; to advise SAPS of the needs of the community in the specific area; to assist SAPS to meet those needs, and finally to hold SAPS accountable to our community. To that end there are monthly open meetings between CPF, SAPS and the community in every Sector; there are weekly meetings between CPF, SAPS and Security companies; regular meetings are arranged or communication created with other stakeholders such as (e.g.) Shopping Centres, Petrol Stations, Schools, Churches, etc. The CPF is also the mother-body to the extremely professional Sandton Victim Support Unit who contact, and if necessary counsel, every victim of serious crime in Sandton, and we are also involved in the Youth Desk which seeks to bring the youth to a better understanding and commitment to a crime-free society.

The Sandton CPF believes in bringing 'best business practice' principles to SAPS management and to that end provides/sponsors SAPS with Merit Awards for outstanding performance, extra mobiles, extra internet/email comms, SMS bundles, handyman/gardener services, etc. Direct CPF costs include monthly Secretarial and Accounting costs which in total amount to R6500. Our fund-raising has previously been done via annual golf-days and in 2014 we are arranging a Family Fun Day which will include a Fun Run. None-the less, our monthly income of R14,300 does not meet our monthly expenses which average R18,000 leaving us with a short-fall of R3700. Audited Financials available on request.

Our appeal is that you assist us to keep up this good work, with donations as follows:

- Individuals/households R30 per month - or an annual once-off amount of R360
- Townhouse Complexes R100 per month - or an annual once-off amount of R1200
- Residents Associations R100 per month – or an annual once-off amount of R1200
- Office Parks R1000 per month
- Road Closures need to be part of the local CPF and to that end certification of membership is R300 per annum which certificate should be included in your application papers to JRA.

Bank details are: **Standard Bank, Sandton Branch – Code 019205**
