We have raised the Membership fee by R50 and R250 Corporate, to help cover our increasing costs.

This has been a very expensive year for FOFS as we had the entire Jungle Gym circuit (30 years old) professionally refurbished which cost R6000. The swings, which FOFS paid for, were vandalized and cost R1200 to repair. We paid for plastic bags the whole of December handing them out to visitors and collecting rubbish.

Parks is doing less and less which is costing us more and more. Those of you who walk, visit and use this precious green lung - that includes all members of the surrounding community as well as the CBD Corporates - be aware that this green asset that we manage and look after for your benefit needs your help and membership to maintain it as you would like it to be.

Please encourage your friends/Corporates to join. Website – www.fofs.co.za for membership form.

Note: A monthly newsletter – Latest News - on the website keeps you informed of what is happening at the Park.
