

## PKVA NEWSLETTER

As a result of statutory increases awarded annually to security staff in the security industry, the cost of our guarding service is due to increase. It is therefore necessary for the PKVA Committee to increase the monthly security contributions with effect from 1 September 2012 as follows:

- Houses: R275.00 pm
- Complex units: R185.00 pm

As the PKVA only just breaks even each month, we value your ongoing support.

Your monthly contributions help to make our area a safer place for all.

THANK YOU
