### FINANCIAL ADMINISTRATION OF THE PKVA:

Dave Brady has been responsible for the administration of the PKVA's finances for the past few years. Dave and Pene moved out of the area some time ago but Dave has continued to assist the PKVA with the financial administration. The Committee is most grateful to Dave for his invaluable assistance during this time.

Debbie O'Meara, who is resident in the area, has agreed to take over these responsibilities with effect from 2 March 2013. The Committee would like to thank Debbie for agreeing to assist us.

Debbie is a CA (SA) and in addition to the monthly administration, Debbie will be responsible for preparing the financials for the Auditors. The audited PKVA financials are presented at the AGM.

Please contact Debbie via the following email addresses:

Debbie's cellphone number is 082 322 3225

### GARDEN APPEAL:

The Committee would like to appeal to PKVA residents for assistance with the maintenance of the garden at the boom. The plants were donated by residents some years ago so that our entrance could be uplifted but the ongoing maintenance of this area has proven to be a challenge!!

One of our residents very kindly donated the services of her staff recently so that the invasive plants and weeds could be removed. We would like to keep this area well maintained and weed free!!

**Would anyone be prepared to donate the services of their gardener for a few hours each week so that this area can be maintained and kept weed free?**

Please contact Sue du Plessis of the PKVA Committee on [sue.duplessis2@gmail.com](mailto:sue.duplessis2@gmail.com)
