

COMMUNITY POLICE FORUM OBJECTIVES

The Objectives of the Forum are the following:

- 4.1 To establish, promote and maintain public participation and private partnership between the community and the South African Police Service.
- 4.2 To promote effective communication and cooperation between the South African Police Service and the community in fulfilment of policing needs.
- 4.3 To improve transparency and accountability of the South African Police Service to the Community.
- 4.4 To ensure joint problem identification and resolution by the SAPS and the community.
- 4.5 To support and develop projects which will improve the rendering of policing Services to the community at Station and Sub-Forum / Sector levels.
- 4.6 To support the programmes of the GP.CPB and Alex Cluster CPF.
- 4.7 To consult with and advise the Station Commander or his / her delegates with regards to all matters pertaining to community policing.
- 4.8 The Sandton CPF shall function within the principles contained in the Act, Interim Regulations for Community Police Forums and Boards and any other regulatory framework mentioned in this Constitution.

Extract from the Sandton Community Police Forum Constitution, dated September 2011, which is aligned to the Gauteng Provincial CPF Constitution, adopted October 2010.
